

Thermo King Remanufactured Controllers

Remanufactured Controllers

Thermo King offers a selection of remanufactured controllers with optimum performance and competitive pricing.

Thermo King Edge: Precise manufacturing process

Benefits include:

- **Warranty Coverage** – Protection you can count on with regionwide Dealer Warranty Protection (1 year parts warranty).
- **Proven Reliability** – Thermo King remanufactured controllers are engineered by Thermo King and available exclusively through Thermo King aftermarket. They are extensively tested for optimum performance and reliability under extreme conditions.
- **High-End Remanufacturing Process** – Major components of the controllers are replaced during the remanufacturing process and each product is tested before it is put in the market.
- **Latest Software** – Peace of mind of always having the latest software installed.
- **Sustainability** – Giving a second life to components help Thermo King and customers achieve their sustainability goals.
- **Best Value** – Thermo King remanufactured controllers are available at a competitive price for the best value in the market.

Standard OEM process = increased uptime

Thermo King Edge: Standardised process

Thermo King Remanufactured Controllers are never simply repaired – they are tested and upgraded to genuine Thermo King standards. The Thermo King remanufacturing process involves testing against all potential issues. Thermo King has the OEM warranty knowledge to know what issues need to be addressed before they fail.

Testing = more reliable products = lower maintenance costs

Thermo King Edge: Available now, not a week from now

Genuine Thermo King Parts are available now at your nearest dealership, whereas rebuilt controllers have to be sent in, repaired, and then returned to be installed in your unit.

Increased uptime = more loads delivered

Compare for yourself **The Genuine Advantage**

Remanufactured Controllers offer the best value on the market, while giving you the assurance of proven reliability and a full year of warranty coverage.
