TouchLog Datalogger

Temperature data capture and printing for all refrigerated vehicles

Thermo King's TouchLog data logger is compact, easy to use, flexible to download and quick to generate printouts. The TouchPrint is an innovative Data Logger with advanced features that respond to multiple needs. The key focus is on accurate readings, flexible export options and an intuitive interface. In terms of certification, this temperature recorder fulfils all the food transport standards: EN 12830, E type approval and WELMEC 7.2. This product is very modular as it can be inserted into a standard radio DIN slot, fitted with an IP 66 box for external mount or placed on a dashboard given its light and compact size. Equipped with its own sensors, this temperature monitoring device is suitable for use with all makes of temperature controlled equipment.

- Simple and clear touchscreen display
- Temperature sensors and Thermo King set point reading
- Soft copy export of tickets to USB flash drive
- High speed thermal printer for quick printout
- Compatible with TracKing and Wintrac
